Chip, Kristine,

As discussed during Chip's conversation with Jim McKenna and Bob Wyatt this morning, please see attached draft response to EPA's February 25th Portland Harbor RI FS schedule letter. The LWG respectfully requests a two week extension to the dispute deadline so that we can engage in some discussions with EPA about the submittal dates for the revised draft RI and the draft FS.

Please let us know if you have any questions.

Thank you,
Jen Woronets ☺
